MEMO ENDORSED

Re: United States of America v. Keff, No. 07 Civ. 3549 (SCR)

Dear Judge Robinson:

I write on behalf of the Government respectfully to request a 30-day adjournment of the deadline for the parties to serve interrogatories and document requests, from November 9, 2007, until December 10, 2007, for purposes of facilitating settlement discussions. The parties are hopeful that they may resolve this matter without resort to formal discovery. Further, this proposed adjournment would not impact other deadlines in the current discovery schedule. This is the Government's first request for an extension of this deadline, and counsel for the defendant joins in this request.

Thank you for your consideration of this request.

Respectfully submitted,

APPLICATION GRANTED
